## PRODUCT FACT SHEET

packaging size (retail)	professional size	trial size	sample available	product pH level	product should last
198ml bottle	455ml pump	NA	15ml bottle	Skin-Neutral	2-3 months

## Primary Benefits

A soothing, lotion-based cleanser with a skin-neutral pH that adds moisture back into the skin while effectively removing make-up and impurities leaving skin soft, smooth and healthy. Perfect for use after professional treatments to soothe stressed or sensitive skin.\*

## Points of Difference

A unique lotion-based formula that gently cleanses while adding moisture back into the skin and is beneficial for dry skin types or mature skin that has become drier over time. Also ideal for pre- and post-procedure use.\* This soothing and moisturising formula helps increase the health and hydration of the skin pre-procedure to enhance overall results and is gentle enough to use after skin has re-epithelialised following an in-clinic procedure.

## Who Benefits

Ideal for those with dry or mature skin and/or sensitive skin. Also beneficial for those using Retinol or prescription Retinol products which can be drying. Can be used after in-clinic treatments\* or interchangeably to balance use of cleansers that contain chemical or physical exfoliators.

## How to Use

Wet face and neck with tepid water. Dispense a generous amount into palm of hand. Using fingertips, gently massage onto face and neck using circular motions. Rinse thoroughly and pat skin dry. Use twice daily.

### 1 What are the featured ingredients in Gentle

**Cleansing Lotion?** Contains botanically-derived cleansing agents, Sodium Cocoyl Apple Amino Acids and Sucrose Laurate from sugar and coconut, which are effective and also preserve the integrity of the skin barrier. A hydrating blend with Squalane, Algae Extracts, Panthenol, Vitamin E and Glycerin add moisture and hydration into the skin. Rosa Damascena Flower Extract, Lavender Flower Extract and Bisabolol work together to soothe and calm skin.

### 2 My skin is dry and irritated. Can I use this

**cleanser?** Yes. Gentle Cleansing Lotion has a skin-neutral pH and can be used on all skin types including sensitive skin. It is soap-free and contains mild surfactants that are botanically-derived plus ingredients that soothe and moisturise skin to leave it soft and healthy.

**3 Does this cleanser lather?** This cleanser is in a soothing lotion form and does not include any lather or foam-inducing ingredients that could potentially dry the skin. It does contain botanically-derived surfactants that effectively cleanse without stripping skin of moisture or irritating the skin.

### 4 Do I have to rinse this cleanser off with water?

Removal with water is recommended. However, for those who are extremely sensitive, it can be removed gently with cotton pads.

### 5 Is this cleanser considered soap-free?

Yes, Gentle Cleansing Lotion is free of soap and harsh detergents. It contains mild surfactants to gently and effectively cleanse the skin.

### 6 Will this cleanser remove make-up?

Yes, Gentle Cleansing Lotion is an excellent make-up remover and is also ideal for the first cleanse in a dual cleansing regimen.
