

Vitamin C Lotion 15% & 30%

Daily antioxidant with THD Ascorbate for brighter skin

P R O D U C T F A C T S H E E T

packaging size (retail)	professional size	trial size	sample available	product pH level	product should last
30ml tube with airless pump	NA	15ml (30%)	3ml tube (15%)	Skin-Neutral	2 months

Primary Benefits

Powerful formula brightens and evens skin tone. Reduces the appearance of fine lines and wrinkles. Contains potent antioxidant ingredients to protect cells from free radical damage.

Points of Difference

Incorporates a high concentration of a very stable, bio-available Vitamin C derivative, which is time-released for maximum efficacy. The Vitamin C derivative, THD Ascorbate, is converted into Ascorbic Acid in the skin, which minimises the irritation sometimes associated with Vitamin C.

Who Benefits

All skin types, even sensitive skin. Vitamin C should be part of every person's daily skincare regimen.

How to Use

Apply to clean skin. Dispense one or more pumps into palm of hand and apply evenly onto clean face. Avoid eye area.

Allow lotion to absorb before applying moisturiser. Use once daily in the morning. Follow with Intellishade®.

If desired, this product can also be used twice daily for added benefits.

Vitamin C Lotion 15%

Ingredients

WATER, TETRAHEXYLDECYL ASCORBATE, GLYCERIN, PPG-12/SMDI COPOLYMER, CORN STARCH MODIFIED, CYCLOPENTASILOXANE, TOCOPHEROL, UBIQUINONE, GLYCERYL CAPRYLATE, CETEARYL GLUCOSIDE, HYDROGENATED LECITHIN, SQUALANE, XANTHAN GUM, CHLORPHENESIN, ACRYLATES/C10-30 ALKYL ACRYLATE CROSSPOLYMER, PHENOXYETHANOL, BENZOIC ACID, SODIUM POLYACRYLATE, LEUCONOSTOC/RADISH ROOT FERMENT FILTRATE, TRIETHANOLAMINE, BUTYLENE GLYCOL, SORBIC ACID, CETYL ALCOHOL, STEARYL ALCOHOL, TOCOPHERYL ACETATE.

Vitamin C Lotion 30%

Ingredients

WATER, TETRAHEXYLDECYL ASCORBATE, GLYCERIN, PPG-12/SMDI COPOLYMER, CORN STARCH MODIFIED, CYCLOPENTASILOXANE, CETEARYL GLUCOSIDE, TOCOPHEROL, UBIQUINONE, GLYCERYL CAPRYLATE, HYDROGENATED LECITHIN, SQUALANE, XANTHAN GUM, CHLORPHENESIN, ACRYLATES/C10-30 ALKYL ACRYLATE CROSSPOLYMER, PHENOXYETHANOL, BENZOIC ACID, LEUCONOSTOC/RADISH ROOT FERMENT FILTRATE, TRIETHANOLAMINE, BUTYLENE GLYCOL, SORBIC ACID, CETYL ALCOHOL, STEARYL ALCOHOL, TOCOPHERYL ACETATE.

Vitamin C Lotion 15% & 30%

Daily antioxidant with THD Ascorbate for brighter skin

F R E Q U E N T L Y A S K E D Q U E S T I O N S

1 What type of Vitamin C is used in these products?

Vitamin C Lotion contains THD Ascorbate, an extremely stable and effective form of Vitamin C. This form of Vitamin C is able to penetrate the lipid barrier and absorb into the epidermis where it is converted into Ascorbic Acid.

2 What are the benefits of Vitamin C?

There are many benefits of using Vitamin C, including protecting cells from free radicals and oxidative stress, brightening and evening skin tone, and increasing collagen synthesis.

3 What do the 15% and 30% represent?

The percentage of Vitamin C (THD Ascorbate) in each product. Because of the gentle formula, many skin types can begin with Vitamin C Lotion 30%.

4 Will this product help brighten my skin?

Yes. Vitamin C Lotion has many benefits, which includes evening out skin tone and brightening dull complexions.

5 Can this product be layered with other products?

Yes. Vitamin C Lotion, due to its lightweight texture, can be applied prior to application of any moisturiser or sunscreen.

6 Does this product contain any other

antioxidants? Yes. Vitamin C Lotion also contains Vitamin E and Ubiquinone (Coenzyme Q10). Studies have shown that antioxidants are more effective when used together.

7 I have sensitive skin. Can I use this product?

Yes. Vitamin C Lotion contains THD Ascorbate, an extremely stable form of Vitamin C that is tolerated by all skin types. The product is time-released for maximum efficacy with minimal irritation. However, if you are using a cleanser that contains Alpha-Hydroxy Acids, we do recommend pairing with a toner such as Soothing Facial Rinse. This helps minimise irritation and balance skin's pH after cleansing and before applying this product.

8 When should this product be applied?

Vitamin C Lotion should be applied in the morning after cleansing and toning and before applying moisturiser. Follow with Intellishade® of choice.

9 Which other Revision products work well with Vitamin C Lotion 15% and 30%?

- Brightening Facial Wash
- Soothing Facial Rinse
- Retinol Complete® 0.5 and 1.0
- Intellishade®.
